## Here's what you could do with the Fifth Third HSA Mobile App:

### Get Reimbursed Quickly

Let's face it—no one really likes to visit the doctor, dentist, pharmacy, or other healthcare provider. But sometimes you do and you may forget to use your health benefits card. So, when you pay for a qualified medical expense using your own money, you want to maximize your dollars and be reimbursed from your pre-tax account. File a claim with a receipt or request a distribution from your HSA soon after it happens. Right from wherever you are. Get the payment process started.

### Track Receipts

Why is it that the one receipt you need is always the one you can't find? With the Fifth Third HSA Mobile App, you can record a health expense and capture the receipt the moment the transaction happens. That's peace of mind with a touch of a button.

### Check Balances

Wondering whether you can pay for an elective procedure or a mounting bill? Do a quick account check to see your current balance. No need to wait for an answer—it's right at your fingertips.
