

Quicken for Mac 2016–2018 Conversion Instructions

Express Web Connect

Introduction

As **MB Financial Bank** completes its system conversion to **Fifth Third Bank**, you will need to modify your Quicken settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your login credentials for online banking.

Note: Quicken Express Web Content uses the same User ID and Password as your financial institution's website.

You should perform the following instructions exactly as described and, in the order, presented. If you do not, your online banking connectivity may stop functioning properly. This conversion should take 15–30 minutes.

Thank you for making these important changes!
