Overdraft Solutions  

Fifth Third has a variety of solutions for those times when the funds in your account aren’t enough to cover your purchases and payments.34  

**Overdraft Coverage**  
What is it? Your transactions may be paid on your behalf when there aren’t sufficient funds in your account. (See note below.)  
What transactions does it cover? Checks and other transactions made by using your checking account number, automatic and online bill payments, ACH transactions and recurring debit card transactions.  
What’s the benefit? Avoid returned checks, late payment charges from your billers, and declined ATM and debit card transactions.  
What’s the cost? $37 per item. Maximum of five overdraft fees charged per business day. An $8/day daily overdraft fee is assessed if an overdraft is not paid and account is not brought current within 5 business days.  
How do you enroll? You’re automatically enrolled!  

**Overdraft Protection**  
What is it? Use money set aside in another account as a financial cushion to cover a negative balance when you enroll in Overdraft Protection.  
What accounts can be protected? Any Fifth Third business checking account.  
What accounts can provide protection?  
- Fifth Third Simply Business™ Credit Card  
- Business savings accounts and select business checking accounts  
Types of Overdraft Protection  
- Credit Card: Amount available varies based on a combination of credit limit, cash advance limit and other risk factors. The amount transferred will be subject to both the available cash advance limit and cash advance interest rate applicable to the card.  
- Savings and Checking: Based on available balance, up to $99,999.99.  
What’s the benefit? Avoid overdrafts and per-item overdraft fees.  
What’s the cost? A $12.00 transfer fee is assessed for each transfer to applicable Consumer, Business Banking, or Commercial checking account unless the overdraft is $5.00 or less. When you overdraft, the exact amount of the negative balance plus the $12 transfer charge will be transferred on the next business day.  
How do you enroll? Talk to your banker.  

---  

Note: Overdraft payments are discretionary, and we reserve the right not to pay. For example, we typically do not pay overdrafts if your account is not in good standing, or if you are not making regular deposits, or if you have too many overdrafts. When an item is returned due to insufficient funds, you will be charged $37. You’re eligible to opt out of overdraft coverage at any time. To opt out of overdraft coverage please visit your local branch or contact your banker.  

---  

Note: Fifth Third Bank may cancel Overdraft Protection upon notice from Bank to customer or upon closing of a linked account, or upon termination, or exceeding the available credit on linked line of credit accounts or credit card accounts.
